The Lamp

Lasell College
The LAMP 2005
Yearbook Dedication

Every year, the staff of the LAMP dedicates their publication to an individual who has made a significant impact on the lives of the students here at Lasell.

This year, the recipient of this honor has given countless hours of dedication and has often worked behind the scenes. Her efforts have directly touched the lives of so many students.

Over the past four years, this person's hard work has helped our students to feel comfortable and "at home" at Lasell.

Whether preparing for Room Draw nights, processing maintenance requests, or listening to students' concerns, Robin Smedick always has a smile on her face.

As the Assistant Director of Residential Life, Robin is always very willing to help, and students appreciate her friendly, approachable style. Robin has also served as a Resident Director, a First Year Seminar Instructor and an Academic Advisor, going the extra mile to make a difference.

For the passion Robin shows for the students and the many ways that she has impacted the Lasell College Student body, we are so proud to dedicate this edition of the Lamp to Robin Smedick.

LASELL VOTING PROJECT

"Are you registered to vote?" This was the most common and important question asked on campus this year. LVP got together and made it possible and easy for our voices to get out! And that we did! Headed by our professors, Lasell College got involved in the election process and voted!

LASELL VOTES!!!!

From start to finish, the Election Party hosted by LVP in deWitt Hall was a success! It was comforting to have faculty, staff and students become so actively involved, espceically at such an important time in history.

Results: President George W. Bush is re-elected.

THE LAMP

Yearbook

Led by editors Chantel Daley and Beata Grzeczkwicz, the yearbook staff worked tirelessly to take picture, create layouts and write stories that encapsulated the wonderful students at Lasell College. "Preserving the Footsteps We Leave Behind" is to remind all of the members of the Lasell student body that we make a difference to each other, to our school community and the world community. As we walk forward through our lives, take a moment to stop and think about how you can impact a life.

Opening in the fall of 2004, the Campus Center quickly became a useful and important part of campus life here at Lasell College. The top floor is a residential facility, housing twenty-two students. The 2nd floor contains faculty and staff offices, various meeting rooms, and spaces for clubs and organizations. On the 1st floor, Jazzman's and Strutters, run by Sodexho, provide food and snacks for students. There are tables for eating, studying and socializing. There is a stage set-up for coffeehouse performances, karaoke nights and DJs. In addition, the bookstore is now located on the first floor of the Campus Center. Stop on by!
